## FRIENDS OF ROMANIA

**Thank You** to all those who contributed during 2018 towards [Friends of Romania](#), both in providing for the trips and supporting in prayer.

The items that we send really do make a difference to the day to day lives of poorer families in and around Bistrița.

Some goods may also be transported further into Romania and as far as Moldova, as required. The charity will continue for as long as there is a need and provided there are sufficient funds available for the trips.

Love and blessings to all who are contributing towards this mission.
